

### **DONATION/CONTRIBUTION FORM**

FAIR Association of Victims for Accident Insurance Reform (FAIR) is a grassroots not-for-profit organization of MVA (Motor Vehicle Accident) victims who have been injured in motor vehicle collisions and their supporters.

If you or a family member has been harmed in a motor vehicle accident and by the poor coverage offered under the auto insurance legislation in Ontario, you can join FAIR and make your voice heard. We welcome ALL members who wish to support FAIR's mandate for change to Ontario's accident insurance legislation and for better treatment for all MVA victims.
