

TAMMY KIRKWOOD

Vice Chair, FAIR

(Fair Association of Victims for Accident Insurance Reform)

I am a very independent person. I am the mother of 3 young adult children. My son is 25, my daughter is 22, and my youngest daughter is 19.

I had a car accident 5 years ago. Before my accident, I used to work a full time job and a part time job, plus I played three recreation sports teams: baseball, soccer & volleyball.

I am now the coach for my old soccer team!

I still attend physical therapy twice a week and I volunteer my time to FAIR (Fair Association of Victims for Accident Insurance Reform). I'm the Vice Chair of this not for profit organization. We advocate for other accident victims to be treated well and who need funding from their auto insurance policies to help them recover from their injuries.

Through the assistance and support of family, friends and therapy, I have regained my driving abilities as well as I work everyday to improve my skills to be able to return to work.
