Professional Regulation Division  
Intake & Resolution Department

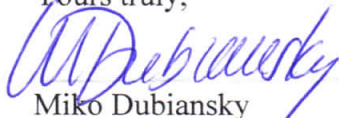

Dear Ms DesRoches:

**Re: Subject: Harry Palette Brown**  
**Case No.: 2018-216075**

I have reviewed your Complaint Form dated January 17, 2018, the Reasons for Decision of Arbitrator Jeff Musson dated January 2, 2018 in the matter of S.P. and RBC General Insurance Company, and the Toronto Sun article, which were received by the Intake & Resolution Department on January 23, 2018. The Reasons for Decision and the Toronto Sun Article indicate that Mr. Brown acted for RBC General Insurance Company in the arbitration. You indicate that this case calls into question whether Mr. Brown's conduct meets the standards and expectations of the Law Society of Ontario and the *Rules of Professional Conduct*. You want this matter to be investigated in the public interest.

The Law Society receives information from a number of sources. Thank you for forwarding this public decision to the Law Society's attention. The Law Society appreciates when members of the public take the time to do so.

Yours truly,

Miko Dubiansky
